MEMBERSHIP PROCEDURES

2019

Thank you for your interest in membership at the Indian Trail Club. Please review the following summary of application procedures before completing and submitting your application materials.

You or one of your sponsors will pick up (or we will mail to you) the application forms from the McBride House office or Main Clubhouse office. You then need to return the application, along with the four sponsor forms, and a check for \$2,500.00 to the Main Clubhouse office. All applicants must be sponsored by four members in good standing at the time the application is submitted and accepted. All sponsors must have been a member for at least one year. The primary sponsor is limited to only one applicant at a time.

Upon review of your completed application and supporting documents, you may be contacted for an interview with the Executive Committee. After this interview, you will be contacted with their decision. If placed on the wait list, please be advised that wait list status is not assurance to admission to club membership. Once your name is at the top of the list and a membership becomes available, your application will be reviewed again and you will be contacted to either accept or decline a membership if offered to you. Once you accept the membership, you will meet with the General Manager for orientation and the balance of the Membership Deposit and the non-refundable Initiation Fee. In the event your application is not accepted or not put on the wait list, your deposit check will be returned.

Dues and Membership Deposit:

There is a one-time Membership Deposit and an Initiation Fee that is due once your application is accepted. NJ State requires us to collect sales tax on Membership Deposits.

Annual Dues, Membership Deposit and Initiation Fee are as follows*

	<u>Dues</u>	<u>Membership Deposit</u>	<u>Initiation Fee</u>
Full	\$7,050.00	\$22,500.00	\$12,500.00

- * Please note that the dues, deposits and fees are subject to change and that deposits and fees at the time of acceptance into membership will be applied. Wait list status is not a guarantee of current membership fees.

For purposes of calculating sales tax, we have split the Deposit into two portions, one representing Full membership privileges of 50% and the other representing House membership privileges of 50%. The portion of the Deposit that represents full membership privileges is subject to sales tax while the house portion is not subject to tax. The Initiation Fee is subject to NJ sales tax. Your annual dues are billed quarterly and are also subject to NJ sales tax.
